

Your One Source for all your Med/Surg and Orthopedic supplies is excited to announce its

# "Pain-Free" Promotion

during August and September!

## Gebauer Ethyl Chloride®

Gebauer's Ethyl Chloride topical anesthetic skin refrigerant is intended to control the pain associated with injections, starting IV's and venipuncture, minor surgical procedures, and the temporary relief of minor sports injuries.

Gebauer's Ethyl Chloride is available in several spray patterns to allow for slight differences in indications and to provide medical professionals with a choice based on their preferred mode of delivery.
